

FIRST ANNOUNCEMENT

SERBIAN BIOLOGICAL SOCIETY

under the auspices:

Serbian Academy of Sciences and Arts and Matica Srpska

and in cooperation with:

Ministry of Education, Science and Technological Development of the Republic of Serbia; Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade; University of Belgrade - Faculty of Biology; Department of Biology and Ecology, Faculty of Sciences, University of Novi Sad; Department of Biology and Ecology, Faculty of Sciences and Mathematics, University of Niš; Department of Biology and Ecology, Faculty of Science, University of Kragujevac; Faculty of Sciences and Mathematics, University of Priština; Institute of Molecular Genetics and Genetic Engineering, University of Belgrade; Institute for the Application of Nuclear Energy, University of Belgrade; Institute for Multidisciplinary Research, University of Belgrade; Institute for Medical Research – National Institute of Republic of Serbia, University of Belgrade; Vinča Institute of Nuclear Sciences – National Institute of the Republic of Serbia, University of Belgrade and Natural History Museum in Belgrade.

organizes

THIRD CONGRESS OF SERBIAN BIOLOGISTS

Zlatibor, September 21-25, 2022

Hotel „Palisad“,
Naselje Jezero bb.

ORGANIZING COMMITTEE

President: **Dr. Momir Paunović**, Principal Research Fellow, Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade, Serbia

Members:

Dr. **Branislav Šiler**, Principal Research Fellow, Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. **Nevena Zogović**, Senior Research Associate, Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. **Milana Trifunović-Momčilov**, Senior Research Associate, Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. **Ana Džamić**, Associate Professor, University of Belgrade - Faculty of Biology, Serbia

Milorad Dragić, Assistant, University of Belgrade - Faculty of Biology, Serbia

Olivera Popović, University of Belgrade - Faculty of Biology, Serbia

Dr. **Mirjana Ćuk**, Assistant Professor, Department of Biology and Ecology, Faculty of Sciences, University of Novi Sad, Serbia

Dr. **Tihomir Lazarević**, Teaching Assistant, Department of Biology and Ecology, Faculty of Sciences, University of Novi Sad, Serbia

Dr. **Jelka Crnobrnja Isailović**, Full Professor, Department of Biology and Ecology, Faculty of Sciences and Mathematics, University of Niš, Serbia

Dr. **Đurađ Milošević**, Associate Professor, Department of Biology and Ecology, Faculty of Sciences and Mathematics, University of Niš, Serbia

Dr. **Olgica Stefanović**, Assistant Professor, Department of Biology and Ecology, Faculty of Science, University of Kragujevac, Serbia

Dr. **Nikola Đukić**, Teaching Assistant, Faculty of Sciences and Mathematics, University of Priština, Serbia

Dr. **Gordana Nikčević**, Full Research Professor, Institute of Molecular Genetics and Genetic Engineering, University of Belgrade, Serbia

Dr. **Marija Švirtlih**, Associate Research Professor, Institute of Molecular Genetics and Genetic Engineering, University of Belgrade, Serbia

Dr. Milica Jovanović-Krivokuća, Senior Research Associate, Institute for the Application of Nuclear Energy, University of Belgrade, Serbia

Dr. Sonja Veljović Jovanović, Research Professor, Institute for Multidisciplinary Research, University of Belgrade, Serbia

Dr. Vesna Ilić, Principal Research Fellow, Institute for Medical Research – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. Miroslav Adžić, Principal Research Fellow, Vinča Institute of Nuclear Sciences – National Institute of the Republic of Serbia, University of Belgrade, Serbia

Dubravka Vučić, Senior Curator and Ichthyologist, Natural History Museum in Belgrade, Serbia

SCIENTIFIC COMMITTEE

President: **Dr. Miroslav Živić**, Associate Professor, University of Belgrade - Faculty of Biology, President of the Serbian Biological Society, Serbia

Members:

Academician Vladimir Stevanović, Serbian Academy of Sciences and Arts, Serbia

Academician Dragoljub Marinković, Serbian Academy of Sciences and Arts, Serbia

Academician Milena Stevanović, Serbian Academy of Sciences and Arts, Serbia

Academician Radmila Petanović, Serbian Academy of Sciences and Arts, Serbia

Dr. Željko Tomanović, corresponding member of the Serbian Academy of Sciences and Arts and Full Professor, University of Belgrade - Faculty of Biology, Serbia

Dr. Marjan Niketić, corresponding member of the Serbian Academy of Sciences and Arts and Principal Research Fellow, Natural History Museum in Belgrade, Serbia

Dr. Milan Matavulj, Full Professor, Matica Srpska, Serbia

Dr. Mladen Kučinić, Full Professor, Faculty of Science, University of Zagreb, Croatia

Dr. Marina Piria, Full Professor, Faculty of Agriculture, University of Zagreb, Croatia

Dr. Aleksandar Bajić, Assistant Professor, Baylor College of Medicine, USA

Prof. Dr. Janez Ščančar, Senior Research Scientist, Jožef Stefan Institute, Slovenia

Dr. Aleksandar Joksimović, Scientific Advisor, University of Montenegro, Institute of Marine Biology, Montenegro

Dr. Rajko Martinović, Scientific Associate, University of Montenegro, Institute of Marine Biology, Montenegro

Dr. Biljana Kukavica, Full Professor, Faculty of Natural Sciences and Mathematics, University of Banja Luka, Bosnia and Herzegovina

Dr. Valentina Slavevska-Stamenkovikj, Associate Professor, Ss. Cyril and Methodius University in Skopje, Faculty of Natural Sciences and Mathematics, North Macedonia

Dr. Orhideja Tasevska, Senior Researcher, Hydrobiological Institute Ohrid, North Macedonia

Dr. Béla Csányi, Hungarian Academy of Sciences, Center for Ecological Research, Danube Research Institut, Hungary

Dr. Marina Soković, Principal Research Fellow, Ministry of Education, Science and Technological Development of the Republic of Serbia and Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. Mirjana Mihailović, Principal Research Fellow, Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. Ljubiša Stanisavljević, Full Professor, University of Belgrade - Faculty of Biology, Serbia

Dr. Goran Anačkov, Full Professor, Department of Biology and Ecology, Faculty of Sciences, University of Novi Sad, Serbia

Dr. Perica Vasiljević, Full Professor, Department of Biology and Ecology, Faculty of Sciences and Mathematics, University of Niš, Serbia

Dr. Marija Topuzović, Associate Professor, Department of Biology and Ecology, Faculty of Science, University of Kragujevac, Serbia

Dr. Jelena Begović, Full Research Professor, Institute of Molecular Genetics and Genetic Engineering, University of Belgrade, Serbia

Dr. Marija Gnjatović, Research Associate, Institute for the Application of Nuclear Energy, University of Belgrade, Serbia

Dr. Dragica Stanković, Research Professor, Institute for Multidisciplinary Research, University of Belgrade, Serbia

Dr. Diana Bugarski, Principal Research Fellow, Institute for Medical Research – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. Snežana Pajović, Principal Research Fellow, Vinča Institute of Nuclear Sciences – National Institute of the Republic of Serbia, University of Belgrade, Serbia

Slavko Spasić, Senior Curator, Natural History Museum in Belgrade, Serbia

Dr. Branka Petković, Principal Research Fellow, Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. Angelina Subotić, Principal Research Fellow, Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. Vesna Perić-Mataruga, Principal Research Fellow, Institute for Biological Research „Siniša Stanković“ – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. Gordana Subakov Simić, Full Professor, University of Belgrade - Faculty of Biology, Serbia

Dr. Nebojša Jasnić, Associate Professor, University of Belgrade - Faculty of Biology, Serbia

Dr. Dragana Miličić, Assistant Professor, University of Belgrade - Faculty of Biology, Serbia

Dr. Ivo Karaman, Full Professor, Department of Biology and Ecology, Faculty of Sciences, University of Novi Sad, Serbia

Dr. Edvard Petri, Associate Professor, Department of Biology and Ecology, Faculty of Sciences, University of Novi Sad, Serbia

Dr. Dubravka Milić, Associate Professor, Department of Biology and Ecology, Faculty of Sciences, University of Novi Sad, Serbia

Dr. Miloš Ilić, Assistant Professor, Department of Biology and Ecology, Faculty of Sciences, University of Novi Sad, Serbia

Dr. Milan Stanković, Associate Professor, Department of Biology and Ecology, Faculty of Science, University of Kragujevac, Serbia

Dr. Tatjana Jakšić, Associate Professor, Faculty of Sciences and Mathematics, University of Priština, Serbia

Dr. Dragica Radojković, Full Research Professor, Institute of Molecular Genetics and Genetic Engineering, University of Belgrade, Serbia

Dr. Alisa Gruden-Movsesijan, Principal Research Fellow, Institute for the Application of Nuclear Energy, University of Belgrade, Serbia

Dr. Ksenija Radotić Hadži-Manić, Research Professor, Institute for Multidisciplinary Research, University of Belgrade, Serbia

Dr. Ivana Okić Đorđević, Research Associate, Institute for Medical Research – National Institute of Republic of Serbia, University of Belgrade, Serbia

Dr. Esma Isenović, Principal Research Fellow, Vinča Institute of Nuclear Sciences – National Institute of the Republic of Serbia, University of Belgrade, Serbia

Ana Blečić, Professor of Biology, Ninth Belgrade Gymnasium, Serbia

Milan Spasojević, Professor of Biology and Director of the Elementary School „Kosta Trifković“ in Novi Sad, Serbia

REGISTRATION FEE:

Category of participants			Participants from abroad
	Registration fee (RSD)	SBS members (RSD)	Registration fee (EUR)
Researchers	5000	2000	45
PhD students	2000	No registration fee	20
Primary and secondary school teachers	2000	No registration fee	/
Retired researchers	2000	No registration fee	/

Please send your payment to the account of the Serbian Biological Society, according to the following instructions:

Individuals by payment order in any post office or bank, filled in as follows:

Payer: Name and Surname, Institution, and the category of participants according to the table attached above;

Purpose: Payment of the registration fee for the Third Congress of Serbian Biologists;

Account name: Serbian Biological Society, Studentski trg 3, 11000 Belgrade, Serbia;

Account No. 160-406692-66 („Banca Intesa“).

Legal entities by proforma invoice received from the Organizing Committee of the Congress. Request a proforma invoice via e-mail kongres2022@bio.bg.ac.rs.

Name and Surname, as well as the category of participants according to the table attached above, should be stated.

For payment from **Serbia**, the following information should be provided: Full name of Institution, Address and City; Phone number, E-mail address and Registration number; PIB and JBKJS if they are obligatory users of the Central Register of Invoices of the Treasury Administration.

For payment from **abroad**, the following information should be provided: Full name of Institution, Street address, City/State and Country; Phone number and E-mail address; VAT number and TAX ID.

LOCATION AND ACCOMMODATION:

The congress will be held in the hotel **„Palisad“ on Zlatibor, Naselje Jezero bb.**

Accommodation is organized in the same hotel, according to the following conditions:
The price of bed and breakfast without sojourn tax, per person per day is:

1/1 Lux room	86.00 EUR
1/2 Lux room	56.00 EUR
1/1 Superior room	78.00 EUR
1/2 Superior room	48.00 EUR
1/3 Superior room	40.00 EUR
1/1 Standard room	65.00 EUR
1/2 Standard room	40.00 EUR

*Sojourn tax per day per person is 1.10 EUR.

- Additional charge for dinner is 5 EUR per day per person.
- Additional charge for lunch is 5 EUR per day per person.

Book accommodation at rezervacije@palisad.rs (subject „Third Congress of Serbian Biologists“), or by phone: +381 31 841 161, +381 31 841 151, and +381 64 174 25 18.

More information about the hotel can be found at <http://www.palisad.rs/>.

CONGRESS PROGRAMME, REGISTRATION AND ABSTRACT SUBMISSION

The following topics are proposed:

- Biophysics
- Botany and plant physiology
- Ecology
- Evolutionary biology and genetics
- Animal and human physiology
- Methodology of teaching biology
- Mycology and algology
- Microbiology
- Molecular biology and biochemistry
- Zoology

In addition, three roundtable discussions are planned:

- Covid-19 – A pandemic that changed the World and Serbia?

- Energy and Mining – The main challenges in environmental protection in Serbia.
- Teaching biology in Serbia – What has the third reform of plans and programs brought us?

Applications for the Congress are at: kongres2022@bio.bg.ac.rs by **May 1, 2022**.
Please indicate the preliminary title(s) of the paper(s) and authors.

Abstracts submission is at the same e-mail address by June 1, 2022.

Application form and instructions for preparing abstracts are attached.

All information about the Congress are at <http://www.serbiosoc.org.rs/>. For additional questions contact the Organizing Committee at kongres2022@bio.bg.ac.rs.

The second announcement will be sent to the registered participants by **July 1, 2022.**

Sincerely
Organizing Committee
